

John Winthrop Middle School

A Spotlight School ~ New England League of Middle Schools

Dear JW Student,

This is your first assignment at John Winthrop Middle School for the upcoming school year. Over the summer, please read a nonfiction and a fiction book of your choice. If you want to look at some great book ideas, please go to the John Winthrop website, click on *Student Resources*, then *Library*. Here you will find the link to a terrific list of fiction and nonfiction options.

As you read the two books, take notes on the attached note sheet. Then, bring these notes with you on the first day of school. They will help you to remember details from the books you read. You will incorporate these details in a written response during your English class.

There will be extra copies of the Summer Reading Notes in the John Winthrop office during the summer. If you have any questions during the summer, please call John Winthrop at 860-526-9546.

Have a wonderful summer!
